 @netaabomani is introducing the #artsinthelibraries zine!

We'll use them to document the panels and how we feel throughout the day. In
 the end pieces of everyone's zine will form a collage.

And now we celebrate!

Many, many thanks to those who presented their excellent work.
Thank you to @netabomani and @cyberneticslib for documenting our time together.

And thank *you* for following along on Twitter and on our livestream!
